Answer Security Question Create Account or Sign In Set up Health Record

Are you [REDACTED]?

It's okay if you are not. We just need to know if you are creating a health record for yourself or someone you care for.

8) On the next screen you can add a profile image if you want. Make sure to fill out all required information marked with the red asterisk (*). Enter the characters in the grey box and click Next.

The screenshot shows a 'Create Health Record' form with the following elements:

- Progress bar at the top with three steps: 'Answer Security Question' (checked), 'Create Account or Sign In' (checked), and 'Set up Health Record' (current step).
- Section title: 'Create Health Record'.
- Legend: '* = mandatory field'.
- Profile Image: 'Browse...' button, 'No file selected'.
- * First Name: Text input field with a red asterisk.
- * Last Name: Text input field with a red asterisk.
- * Relationship to You: Dropdown menu with 'Self' selected.
- * Sex: Radio buttons for 'Female' and 'Male'.
- * Date of Birth: Text input field with 'MM/DD/YYYY' placeholder and a calendar icon.
- * CAPTCHA: 'Enter the characters you see' with a grey box containing 'ZG! hGc' and a refresh button.
- Next: A dark blue 'Next' button.

9) On the next screen select Authorize for MyCareCorner to access your medical records from Bennett County Hospital and RHC.

The screenshot shows the MyCareCorner authorization screen with the following elements:

- MYCARECORNER logo.
- Request: 'Bennett Co Hosp and RHC wants to access [redacted] health information to:'.
- Options: 'View health info' (with eye icon) and 'Add or change health info' (with pencil icon).
- Access: 'Access 89 types of health information' with a right arrow and a link to 'View what health information the app will access'.
- Buttons: 'Back' and 'Authorize'.
- Links: 'Privacy Policy' and 'Terms of Use'.

10) You are done. Click on Home on the next screen to go to your new MyCareCorner account.
